Welcome to our first newsletter!

MDNC
Mindarie Netball Club

Welcome to our first ever MDNC Newsletter! We are hoping to share this with you quarterly, to keep you up to date with what is happening around the club.

There has been a lot happening behind the scenes, with registrations for our new Bouncer season, courses for our coaches, fitness training, organising our first Christmas party and so much more!

Our first games have been played, with so many excited happy faces. It was great to see everyone back on the courts. We want to welcome our new members to the club and hope that all the nerves of your first games are gone and replaced with excitement for the next.

GOLD COAST NETBALL CARNIVALS

U12 GOLD COAST CARNIVAL

The Gold Coast Netball Carnival will be held at the Gold Coast from the 6th to the 14th July 2022.

Thank you to everyone who attended our information evening and expressed interest for your child to play. Unfortunately due to the lack of interest we will not be attending the 2022 carnival. COVID and the unknown regarding travel has probably played a big part in people's decisions and the club understands! We will hold over any

money that had been raised to use for travel in 2023!

So, those eligible for U12 in 2023, get ready for exciting times ahead!

INTERNATIONAL NETBALL CARNIVAL

This event is held annually for all players both social and competitively.

The International Netball Festival gives players a good amount of time to bond as a team. You will have a chance to make new friends from around the world, learn new netball skills and experience what the Gold Coast has to offer.

Players will build their netball skills as individuals and have the opportunity to see how netballers from other countries train and play.

If your child is interested in attending please visit our website

<http://www.mindarienetball.com.au/international-netball-carnival-2022.html#/> and complete the online form.

This carnival is open to U13 and U15.

An information evening will be coming soon.

OUTBACK SPLASH

Christmas Party

Come along to our all club Christmas Party!

All members and families are invited to our Christmas Party held at Outback Splash. All members will have fun enjoying everything that Outback Splash has to offer and meeting Santa!

A sausage sizzle and drinks will be provided by the club. We all know that water play equals huge appetites! So we are asking that everyone brings a plate. Please see the guide below to assist with what to bring.

We have reserved a space at The Pine Hut area and will secure the grassed area in front for the whole club to enjoy the day together.

If you would like your child to receive a present from Santa, please provide a small gift with a limit of \$10.

SPONSORSHIP

COACHES

Mindarie Netball Club encourage all of our coaches, experienced and new, to further their education in netball. This season, coaches have been offered training in coaching fundamentals and KNEE for coaches at the club's expense. Our Leadership

Beck Wright is the President of the Mindarie Netball Club. She is a hard worker as she also coaches and trains 4 teams! Let's get to know her a little better...

What makes you laugh the most? I love a good joke and sarcasm.

If you could eat one food for the rest of your life, what would it be? seafood (all the food I see lol 🍷)

What is your fave way to unwind? I love to go out for dinner with my family.

What is your favourite netball position? Why? GA is my ultimate favourite position because that's what I play. I love the steady hands, focus and discipline of both GA and GS. I believe good GD and GK can make or break. The high jumps, rebounds and intimidation always makes for an entertaining game. I love watching the high intensity of a C that is the engine behind your team. The speed, selflessness, and effortless feeds into the circle of a WA. And the most under estimated position on court is WD. Having a strong WD that can contest the ball in the air and can intercept on centre pass can be a game changer. So I don't have only one favourite position.

Who is your favourite netball player? Courtney Bruce and Verity Charles

Beck Wright

Taryn Edom

Taryn Edom is the Vice President of Mindarie Netball Club. Not only does she fulfill these duties but she also coaches 3 teams and is on the sponsorship committee with her husband Mitch!

If you could time travel, when and where would you go? 100 years into the future, so I can see how much technology has advanced.

Whats your fave way to spend with your family? My favourite way to spend time with family is game night. We have a huge collection of board games and love to sit around the table playing and just chatting to each other or playing Mario Party on the Switch.

If you were a super-hero, what powers would you have? The ability to teleport, so I can see family who live far away whenever I want.

Who is your fave netball player? Laura Geitz and current player would be Gretel Bueta

What is your favourite netball position? Why? I don't have a favourite position. They are also important and can't go without one on the court. I'm going to say GS as that's what I play and can't go past a good hold and the determination shooters have to get the ball. But a great defence can change the outcome of the game and great centre court can get that ball moving so effortlessly down the court. ...
